Nature of the Study: a brief (<2 pages) but detailed research protocol must accompany this application, setting out in detail the sample required (population, sex, age), the purpose and nature of the work, any special techniques or procedures that will be used in carrying it out, and whether or not they might pose any potential risk to the specimens.

Do you intend to photograph any of the specimens?					
If so, for what purpose?					
Applicant's Signature:		. Date:
