T1.1 Tender Notice and Invitation to Tender

Overview of the University

The University of the Witwatersrand, Johannesburg (the **University** or the **Purchaser**) is a leading university in Africa, as reflected by its international standing and the quality of its graduates, many of whom have played a major role in founding industries in South Africa, including sectors such as mining, financial services and information technology. The University prepares students for managerial, professional and leadership positions in the public, private and non-governmental sectors. The *University* has more than 30000 students and approximately 6500 staff and is one of the biggest sources of skills in Africa.

Invitation to Tender

The Property and Infrastructure Management Division (PIMD) of the University of the Witwatersrand, Johannesburg in collaboration with Purchasing Consortium of Southern Africa (PURCO SA) requests proposals from suitably qualified service providers to supply and maintain equipment, vehicles and machinery for Landscaping and Grounds including professional sports fields

Tender Background

The University has insourced staff associated with outsourced services, with Landscaping and Grounds being one of them. Grounds and Landscaping Staff are included in this group. The newly adopted Landscape and Grounds is a functional model that has been in operation for just over a year.

In appointing Service Provider/s, the University is seeking an organisation with which it can build a cooperative type relationship to the benefit of the University Community. It would value a Service Provider that will focus on service delivery and be both proactive and innovative in its approach to cost containment, while being sensitive to the needs and the culture of the University. On this basis, a key criterion for selection of a Service Provider will be the "culture fit" or the extent to which the University believes it can establish a close working relationship with the Service Provider, to the benefit of the students and staff.
