

IRON LUNGS

Look at the collection of iron lungs in the Museum and answer the following questions:

1. What do you think they were used for?
2. During which epidemic were they used?
3. Why are there windows on the sides?
4. Where can the Dräger iron lung be opened. Why is this so?
5. Have a look inside. What do you see?
6. Look at the dials on the side. Do you know what they were used for?
7. Are they still used today?
