Attention: Ms Thabang Kaneli

Dear Ms Kaneli

This letter serves to confirm that the Wits Citizenship and Community Outreach (WCCO) office operates the Wits Food Programme for students on campus.

The Wits Food Bank is a repository of non-perishable food and essential toiletries. The Food Bank relies on donations in order to support students.

Parcels, which include sanitary towels, are distributed to students on a monthly basis.

WCCO collaborated with the Mina Foundation, an NGO that raises funds to distribute the Mina menstrual cup.

Two hundred and fifty Mina cups were distributed to students at Wits. Female students were also trained on how to use the inexpensive and eco-friendly menstrual cup.

Please contact the undersigned for more information.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Karuna Singh'.
