

CALL FOR PROPOSALS

Expert for mapping of Voluntary National Review (VNR) reporting processes and SDG evaluations in Anglophone Africa and Latin America: a collaborative effort between CLEAR-AA/CLEAR-LAC/DEVAL (FOCELAC+)

Deval's ECD project (Focelac+) along with the Center for Learning on Evaluation and Results in Anglophone Africa (CLEAR-AA) and in Latin America and the Caribbean (CLEAR-LAC), have embarked on a process of mapping the state of the Sustainable Development Goals (SDG) evaluation across Anglophone Africa and Latin America.

This consultancy has the objective of performing a comprehensive mapping of SDG evaluations within and along with the Voluntary National Report (VNR) processes of selected African and Latin American countries, with a view to highlight common and unique challenges and successes that these countries have experienced.

The person(s) hired will provide the Steering Committee (Focelac+/DEval, CLEAR-AA, CLEAR-LAC), with the deliverables indicated in the Terms of Reference. The primary methodology of this project is a desktop review of the VNR reports of the eight selected countries.

If interested in presenting a proposal as a consultant for the services required, this must be submitted, in accordance with the Terms of Reference provided, **before 7th November 2021, 18:00 German time (CEST)**. Offers must be sent by e-mail to Dirk Hoffmann (dirk.hoffmann@deval.org) and copy to Nuria Domenech (nuria.domenech@deval.org). The evaluation of the proposals will be carried out considering the principles of economy, efficiency, and effectiveness.
