Attention: Ms Thabang Kaneli

Dear Ms Kaneli

This letter serves to confirm that Wits provision of higher education is a composite model of teaching and learning, research, and the provision of accommodation through its residences. Campus Housing & Residence Life (CHRL) is the unit within Wits that is responsible for the provision of accommodation and meals.

The University's accommodation fees is an all-inclusive fee that includes building and student related costs. Some of the costs include access to transport, health care facilities, living and learning programmes, dining halls etc.

Please contact the undersigned for more information.

Yours sincerely
