

YOUTH STARTER PACK 2026

BLACKBULLION SA

FINANCIAL EDUCATION PLATFORM

Taking control of your money story

Congrats! By opening this Starter Pack, you've taken the first step toward becoming financially savvy and taking charge of your money story. Blackbullion SA is a digital platform designed to help young people like you learn the basics of money. Think of it as your financial buddy, always there when you need money tips or guidance.

Thanks to the Wits University and Sanlam Foundation, you'll get free access to this award-winning web-platform which you can access on your phone, tablet, or computer.

Inside this Starter Pack, you'll find everything you need to sign up, log in, and start learning.

What's in it for you? REWARDS

Becoming Financially Savvy means taking control of your money story and Blackbullion SA can help you do that. Gain the knowledge and confidence to make smarter decisions, build good habits, and create the future you want.

Learning about money should be rewarding — literally. As you work your way through the Blackbullion SA platform, you'll earn Bullions and unlock badges by completing content. The more you engage, the higher your chances of winning awesome rewards.

But it's not just about spending.

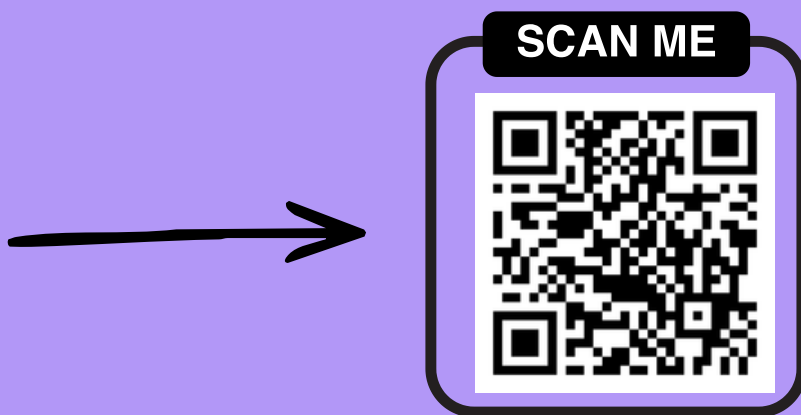

It's also about building wealth and taking control of your financial future. Every user will receive a unique link to open an EasyEquities account and get a free R50 investment voucher to kick-start their investing journey.

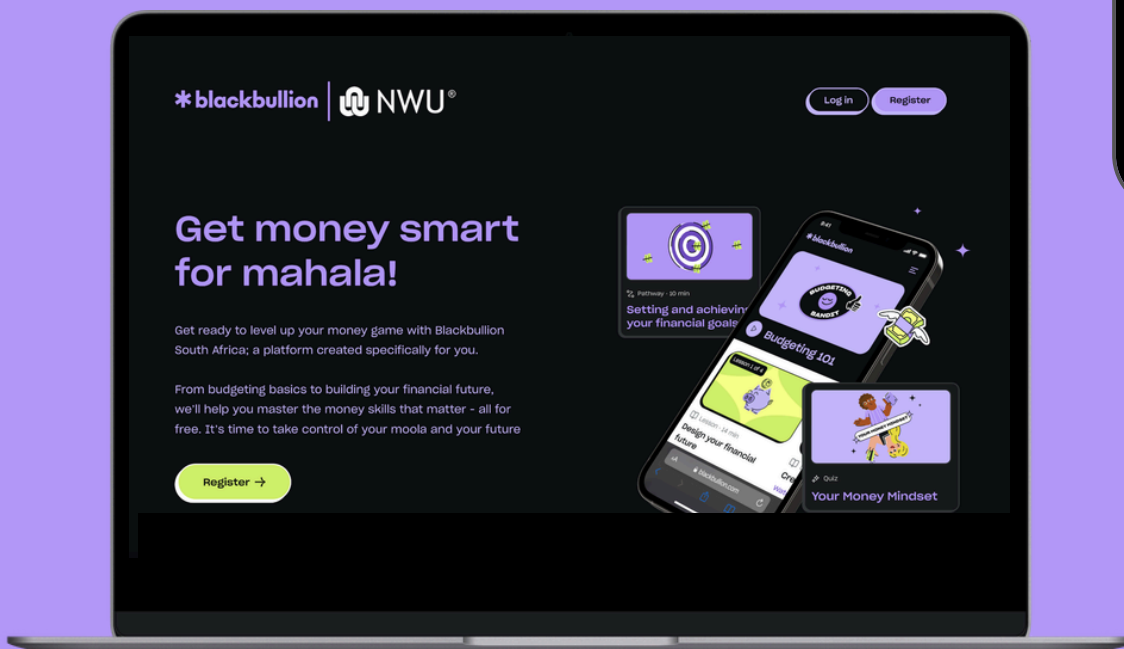

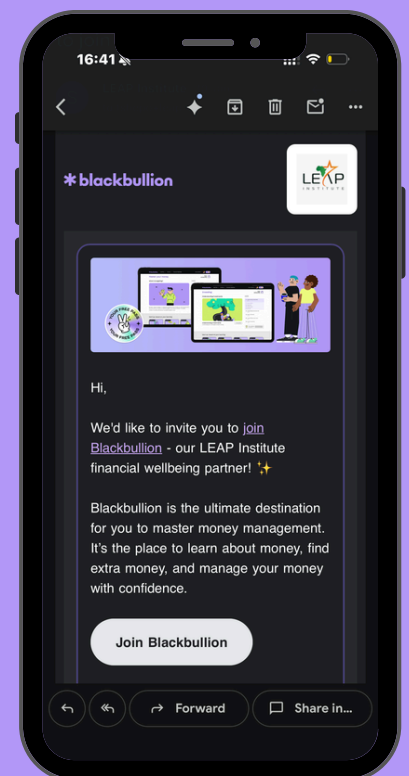

Registering on Blackbullion

Getting free access to the Blackbullion platform is easy.

1. Use this [link](#) or the scan the below QR code to register to get access to the platform.

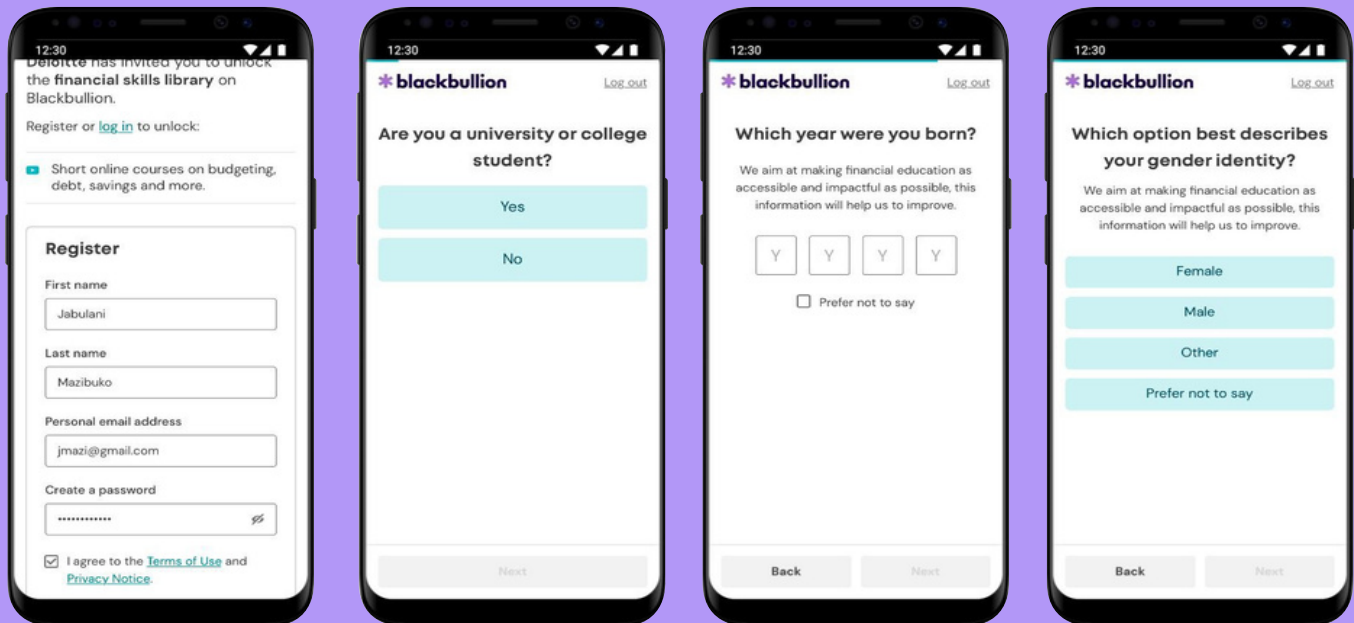

2. Fill in all your information and select Wits on the “where did you hear about us page”
3. An email invitation with a unique registration link will be sent to you, including a text message.

If you experience any issues with registration or logging in, please reach out to us at Blackbullion@wafunda.com for assistance. We've also created a short introduction video to help you get familiar with the platform's features and functionality. Check it out [here](#).

Once you receive the invitation email, please proceed to register. Complete all the required information on each screen and complete the setup to create your account.

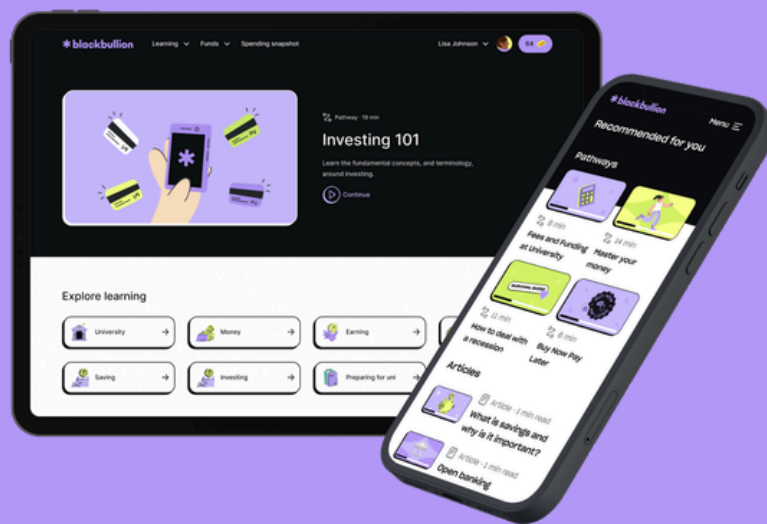

On the first screen, you'll be asked to check the box to accept our T's & C's. You'll also be able to opt-in to receiving further information and communication from Blackbullion. Rest assured that we take data security very seriously and we'll handle your personal information with the utmost care.

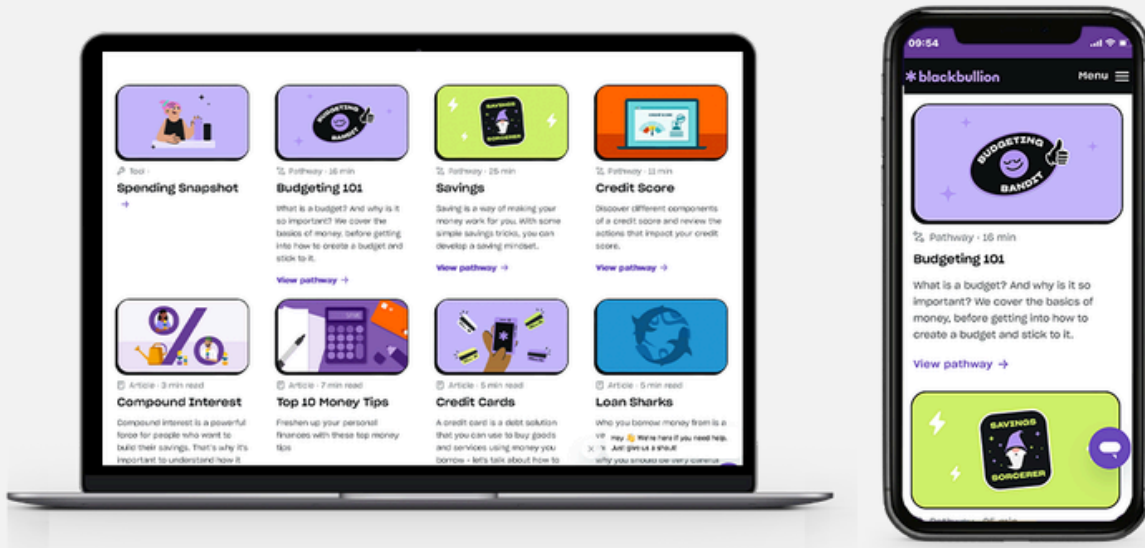

*Blackbullion is fully POPIA compliant.

Platform and content

Blackbullion SA is a web based platform and not an app. In order to log into the platform, you'll need your device (phone, tablet or computer) and a stable internet connection. Try as much as possible to access via a WiFi connection to ensure the best user experience. Navigating around the platform and engaging with the content is fun and easy. You'll find your way around in no time!

Our library is packed with engaging content designed specifically for South African youth. You'll explore illustrated articles linked to helpful local resources, along with interactive pathways that include quizzes, videos, slides, subtitles, and voiceovers to keep learning fun and easy.

You'll also have access to practical tools like the Spending Snapshot, which helps you understand where your money goes, and the Money Mindset tool, designed to help you build healthier habits and a more confident relationship with money.

Blackbullion SA is a learning platform dedicated to your financial wellbeing and we're constantly working to improve your journey to financial freedom. As we continue to develop the Blackbullion SA platform, there will be more and more engaging content available covering a broad range of topics. We encourage you to login regularly and revisit the content library.

Communications and surveys

We'll stay in touch throughout your financial learning journey, so keep an eye on your inbox. You'll receive emails from our team to help you register on the platform, stay motivated, discover new content, webinars, and opportunities.

From time to time, we may also ask you to complete short surveys. Your feedback helps us understand what's working, improve the platform, and create even better content for you. And the best part? Completing surveys could put you in line to win some awesome prizes. Complete this survey [here](#).

THANKS, ENKOSI, DANKIE, SIYABONGA

Thank you for being part of the Blackbullion story. We're amped to help you learn more about money and personal finances. We want to be a part of your money story.

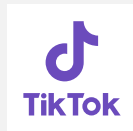

Any questions, just hit us up! We'd love to hear from you.
