Please note that all student records are checked on an annual basis and students who did not complete the courses in the previous year will again be registered (and charged) for these courses. Once you have completed the courses (approximately 1 month after completion), please check with the Faculty that the relevant service provider forwarded the results to the Faculty.

If you have previously completed First Aid and/or Computer Literacy courses and want to ascertain whether you will be granted exemption for the courses, please contact Mrs Christeleen Ontong (Faculty Administrative Officer) on 011 717 2003, Room 220, Faculty Office, Phillip V Tobias Health Sciences Building and arrange to submit the necessary proof to the Faculty. For more information, please refer to the Faculty website: [http://www.wits.ac.za/health/faculty-services/staff-and-student-info/](http://www.wits.ac.za/health/faculty-services/staff-and-student-info/)

For further details, please consult the Wits Health Sciences Library (WHSL) at Medical School, Level 4.
