

Spring School Tübingen

Dr Douglas Andrews
University of the Witwatersrand

Outline and provocation

The proximity of my personal experience and my research.

Get a job!

Educational mimicry!

Professional development for inclusive leadership: proximity of South Africa and Rwanda
UNSECO

Proximity of inclusive teaching and environmental sustainability.

A child's school experience can inform their values and actions as adults.

Idea constellation

Statistics

Micro
exclusions

KPIs

Objectification
of children

Why change
what works?

Obsession
with control of
variables.

Borders in the
mind

How do we
change the
narrative and
navigate the
space?

Pedagogical responsive
to learners' different
learning needs.

Complexity of school
systems (CHAT and
complexity theory)

Pedagogical responsiveness

When children feel safe.

They feel like they belong.

See themselves in the curriculum
that they are being taught.

Personal

Political

Scholarly

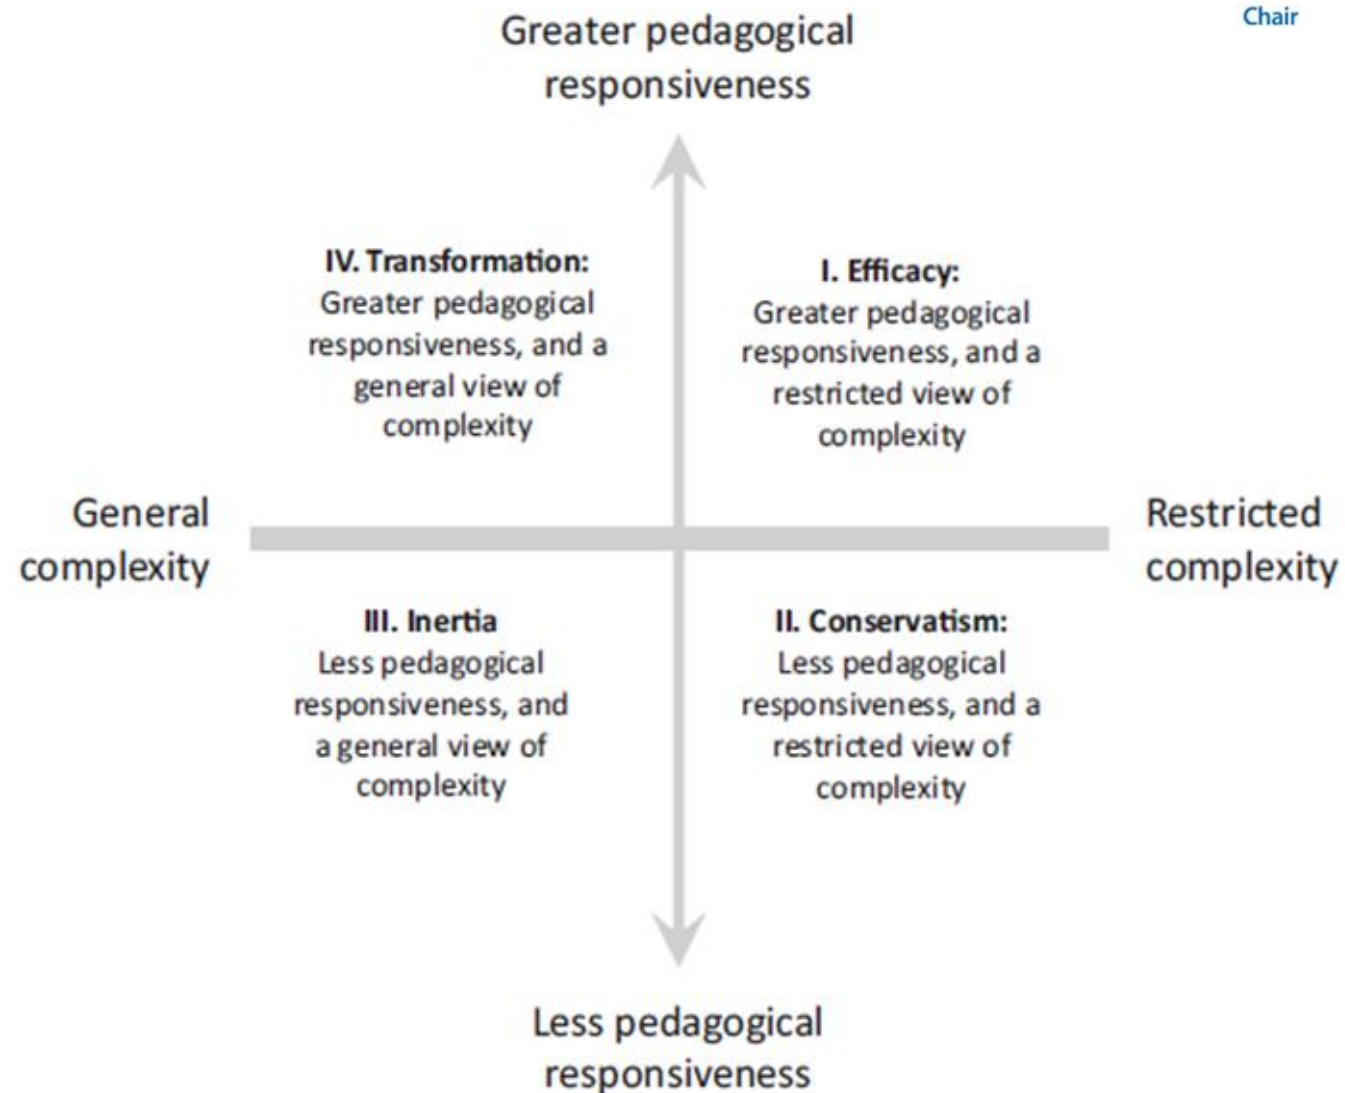

Complexities in school systems

Ever-changing and
dynamic circumstances

Cause and effect are not
linear

Path dependencies

A heuristic that
considers both
pedagogical
responsiveness and
complexity (Walton
and Osman, 2022)

How to achieve this

Relational agency – share perspectives

Community engagement – examine arguments

Professional development – life long learning

Collaborative engagement with learners

Social justice mindset

Ubuntu

Thank you

Interrogating path dependencies
