

UNIVERSITY OF THE WITWATERSRAND, JOHANNESBURG

FACULTY OF SCIENCE

LECTURER/SENIOR LECTURER (X3)

SCHOOL OF MATHEMATICS

The School of Mathematics is responsible for teaching pure mathematics to more than 7 000 undergraduate students. In addition, it offers advanced courses, supervises postgraduate students and conducts research in a variety of areas, notably: Number Theory, Combinatorics, Rings and Algebras, Topological Algebras, Differential Equations, Functional Analysis and Operator Theory, Differential Geometry, Knot Theory, Lie Group Methods, Graph Theory and Logic. The School has important teaching commitments in the Faculties of Science and Engineering & Built Environment. The School of Mathematics has an active Masters and PhD programme.

Applications are invited for the position at **Lecturer/Senior Lecturer level**.

Minimum qualification/requirements/criteria:

- ◆ An appropriate PhD in Mathematics or equivalent
- ◆ Teaching experience at tertiary level
- ◆ Evidence of research
- ◆ Proven experience in supervision (for Senior Lecturer)
- ◆ Proven experience in service applicable in the university context

Duties: The successful candidate will be expected to participate in teaching all aspects of the discipline at undergraduate level, maintain an active research profile and participate in the administration of the School, Faculty and University.

Remuneration: The successful candidates will be offered a generous remuneration package which includes a retirement fund, medical aid, leave, bonus and study benefits, subject to the University's rules and regulations.

Enquiries: Prof S Mukwembi Email: simon.mukwembi@wits.ac.za

Applications: Submit a covering letter accompanied by a detailed *curriculum vitae*, NRF rating (if available), a critical self-evaluation of accomplished research and plans for future research, certified copies of all educational qualifications and identity document as well as e-mail addresses and names of 3 referees.

To apply: *Applicants are invited to apply by registering their profile on the Wits i-Recruitment platform located at <https://irec.wits.ac.za> and submitting their applications*

Closing date: 2 September 2024

The University reserves the right not to make an appointment and continue searching after the closing date and only short-listed candidates will be contacted.
