## PART A: TENDER OVERVIEW

### 1 TENDER OUTLINE

#### 1.1 University's Background

The University of the Witwatersrand, Johannesburg (the “**University**”) is a leading university in Africa, as reflected by its international standing and the quality of its graduates, many of whom have played a major role in founding industries in South Africa, including sectors such as mining, financial services, and information technology. The University prepares students for managerial, professional and leadership positions in the public, private and non-governmental sectors. The University has more than 30000 students and approximately 6500 staff and is one of the biggest sources of skills in Africa.

#### 1.2 Tender Background

The University of the Witwatersrand, Johannesburg (the University) seeks the services of fleet monitoring system to the vehicle tracking system. Eligibility criteria are stated in the tender documents. Only respondents who meet the stated criteria are eligible to have their submissions evaluated.

#### 1.3 Tender Description

**1.3.1** The primary objective of this tender is to appoint a reputable service provider to supply fleet monitoring services for the University fleet.

#### 1.3.2 Procurement Strategy

1.3.3 This is an open competitive tender process.

#### 1.4 Pre-qualification Criteria

1.4.1 Tenderers who have suitable experience and demonstrated capacity in the provision of fleet monitoring services may be eligible to participate in this Tender.

1.4.2 Only Tenderers who meet the pre-qualification criteria outlined in the table below are eligible to submit a Tender Submission. Failure to meet the pre-qualification criteria will result in disqualification.

No.	Procurement Mandatory Criteria
	It is compulsory that the Tenderer:
1.	is a South African registered entity.
2.	provides Schedule 1: Signed Submission which must be signed by a duly authorised representative.
3.	provides proof of their legal entity's registration documentation (e.g. CIPC) indicating date of registration/incorporation, list of directors, partners, and members.
4.	must show a current and valid Tax Clearance certificate/Pin.
5.	provides their VAT registration details if relevant. Provide reasons if VAT registration is not available. This will be assessed for acceptability.
6.	provide audited company financial statements for the past 3 years in line with the Companies Act. Provide rationale if financial statements are not audited. This will be assessed for acceptability. The University reserves the right to request additional information if required to assess the financial position among others.
7.	provides a Letter of Good Standing from its bankers or a bank confirmation letter.
8.	provide proof of insurance cover for their goods (equipment) or show commitment to have the appropriate insurance in place at time of contract if awarded with no impact on submitted pricing.
No.	Functionality (including Technical) Mandatory Criteria
	It is compulsory that the Tenderer must provide:
9.	evidence demonstrating a track record of a minimum of 5 years' experience relating to the supply, maintenance and support of the fleet monitoring and tracking solution. This solution must be of a similar nature, scale and value to those required by the University as set out in the Scope of Work. The track record will be assessed for acceptability and appropriateness.
10.	A minimum of three (3) distinct and reachable references relevant to the provision of fleet monitoring solutions. At least one (1) appropriate reference must provide acceptable evidence of delivering fleet monitoring services for a comparable scale of at least 200 or more passenger and commercial vehicles under a single fleet monitoring contract. <b>References must not be older than 5 years.</b>

11.	evidence of valid International Communications Authority of South Africa (ICASA) accreditation of the organisation.
12.	meet all mandatory criteria as listed in Annexure D Compliance Schedule

1.4.3 The Tenderer's attention is drawn to the pre-qualification criteria which requires the Tenderer to provide the necessary evidence (please refer to Annexure B: Returnable Schedules and Documents) in order to be eligible, failure to do so will result in disqualification.

1.4.4 Tenderers who fail to provide the required schedules and documents will not have their Tender Submissions evaluated further.

1.4.5 Despite the above, the University reserves the right to request additional information (which must be responded and/or provided to the University within the period as determined and communicated by the University) where the information provided yields insufficient detail and Tenderer differentiation.

A maximum of 60 = X points is allocated for price on the following basis for the respective pricing elements and combining their related scores:

$$PS = X \left\{ \frac{1 - Pt - Pmin}{Pmin} \right\}$$

Where:

- Ps = Points scored for the comparative price of Tender Submission under consideration;  
X = Ratio allocated to pricing for scoring purposes;  
Pt = Comparative price of the Tender Submission under consideration; and  
Pmin = Comparative price of the lowest acceptable Tender Submission.

#### 8.5 Other Information

8.5.1 After completion of the evaluation process, all Tenderers will be formally notified of the University's decision to award or not and Tenderers are requested not to contact the University in this regard.

8.5.2 The detailed evaluation results and Tenderer ratings will not be published or made available to anyone.

### PART D: SCOPE OF WORK

#### 9 SCOPE OF WORK

- 9.1 The detailed scope of worked is attached to the Tender Documents and marked as Annexure A: Scope of Work.
- 9.2 Tenderers must ensure that before submitting a Tender Submission that they are able to meet the requirements as set out in Annexure A: Scope of Work.
- 9.3 **Note:** The University will not accept any material variation to Annexure A: Scope of Work (which may include but not is not limited to the products, services and service levels).

### PART E: RETURNABLE SCHEDULES & DOCUMENTS

## 10 THE SUBMISSION OF RETURNABLE SCHEDULES & DOCUMENTS

- 10.1 The Tender Submission will be evaluated based on the information submitted as set out in Annexure B: Returnable Schedules and Documents. The Tenderer's Tender Submission must be composed according to, and in the sequence as set out in Annexure B: Returnable Schedules and Documents. Additional instructions are contained under the applicable sections per Annexure B: Returnable Schedules and Documents.
- 10.2 Tenderers must complete the returnable schedules in type-written format and submit them in PDF and/or Excel compatible (.xls) (where indicated).
- 10.3 Tenderers must ensure that all returnable schedules, documents, and certificates are legible, current, legally compliant and valid.

### PART F: PRICING

## 11 PRICING INSTRUCTIONS

- 11.1 The pricing that the Tenderer submits will be considered the Tenderer's final pricing which will be included in the Contract. The Excel spreadsheet that is Annexure C: Pricing must be used to submit the applicable pricing as indicated in these Tender Documents.
- 11.2 Tenderers must show its pricing information using the pricing template contained in **Annexure C**:
- 11.3 Pricing must be submitted in editable and printable softcopy in both the original Excel compatible (.xls) and .pdf formats.
- 11.4 Tenderers agree that an item against which no rate or price is entered by the Tenderer shall be considered to be covered by other rates or prices detailed in the Tenderers final pricing submitted.
- 11.5 Tenderers must carefully consider the provisions as set out in sections 11.6, when providing provisions.
- 11.6 **Annual Escalation Adjustments:**
- 11.6.1 The prices for the goods and/or services specified in Annexure A: Scope of Work will remain unchanged for the first 12 (twelve) months of the Contract. Thereafter, such amounts may be adjusted provided that the relevant supporting documentation is supplied in accordance with CPI on the first and each subsequent annual anniversary of the effective date (the successful service provider is required to give 1 (one) month's prior written notice of such adjustment). The prices for the goods and/or services must include VAT, all other taxes (insofar as they are applicable) and insurance as required.
- 11.6.2 **Note:** CPI means the average annual rate of change (expressed as a percentage) in the Consumer Price Index for all metropolitan areas as published by Statistics South Africa (or such other index reflecting the official rate of inflation in the Republic of South Africa as may replace it), which annual change shall be determined by comparing the most recently published index with the average index published over the 12 (twelve) months preceding the anniversary of the start date of the awarded Contract, and applying the lower of the 2 (two) compared indices.
- 11.7 **Cost Savings:**
- 11.7.1 The University expects the Tenderer to be an active partner in generating ideas to reduce costs beyond only price reductions. Alternative cost reduction methods must be included in a separate spreadsheet in Annexure C: Pricing.

### PART G: INSURANCE

## 12 INSURANCE REQUIREMENTS

- 12.1 A Tenderer must demonstrate that it has adequate insurance cover to meet the minimum requirements as set out in the Scope of Work or obtain a letter of confirmation from its insurers indicating that the Tenderer will qualify for adequate insurance cover to satisfy the minimum requirements. The Tenderer will have to establish its standard company insurance (please refer to **Annexure B**: Returnable Schedules and Documents) and details of:
- 12.1.1 public liability; and/or
- 12.1.2 professional indemnity insurance; and/or

- 12.1.3 insurance covering its liability to any employees, its agents or representatives as contemplated in the Compensation for Occupational Injuries and Diseases Act, 130 of 1993; and/or
- 12.1.4 general and commercial liability insurance which includes defective workmanship, public liability, cyber risk insurance, products and equipment liability, bodily injury and death, and property damage.
- 12.2 Tenderers agree that should it be awarded as a successful service provider that it shall at all times maintain insurance cover satisfactory to the University's insurance brokers. Proof of payment of premium for the respective policy shall be furnished annually to the University in the event the Tenderer is the successful service provider. This should not have an impact on the Tenderer's submitted pricing.

## PART H: THE CONTRACT

### 13 THE CONTRACT

- 13.1 Tenderers must please take note of the following important contractual terms:

Indicative Contract Dates:	Start Date – End Date (TBC) Target from September 2025
Indicative Contract Duration:	(3) Three years
Classification and Type of Contract:	Memorandum of Agreement

- 13.2 Any award made as a result of this Tender process will be governed by the terms and conditions of the Contract.
- 13.3 In the event that a Contract has been included in the Tender Documents (see **Annexure D**: Draft Contract) and if a Tenderer takes exception or wishes to propose a deviation to any term or condition in the Contract, it must be done clearly and conspicuously by referencing the specific clause number or the term or condition and by describing the exception or deviation in the **Annexure B** under the Contract Deviation Schedule. If a Tenderer does not clearly and conspicuously take an exception or propose a deviation to a specific term or condition, the Tenderer shall be bound by such term or condition in the event the award is made to it. The University reserves the right to in each instance to:
- 13.3.1 Accept the deviations or exceptions; or
- 13.3.2 Negotiate the deviations or exceptions; or
- 13.3.3 Reject a proposal with deviations or exceptions deemed unacceptable by the University at its option and in the exercise of its sole discretion .
- 13.4 The rejection or amendment by the Tenderer of any terms and conditions contained in the Contract may increase the risk to the University and will thus be taken into consideration when assessing the Tenderer's Tender Submission.
- 13.5 Tenderers should not provide or include their own contract, service level agreement or '*reserve the right to negotiate if the Tenderer is selected as the preferred service provider*' statement (the University will not consider this type of documentation). Tenderers must ensure that they follow the protocol as set out in section 13.3.
- 13.6 The Tender awarded will be conditional and subject to successful negotiations and signing of a written contract, failing which the University reserves the right to withdraw the Tender and to award another Tenderer without the need to repeat the same Tender process.
- 13.7 Should the final contract negotiations with the preferred Tenderer not be concluded within 4 (four) weeks of the tender award or the preferred Tenderer takes exception to certain terms in the Contract which the parties cannot agree to, the University reserves the right to cancel the award and select an alternative Tenderer
