

WITS LIBRARY TERM TIME HOURS

Our electronic digital materials are available 24/7 to our university community in accordance with our licence agreements with our respective service providers. Registered staff and students only may link to them by clicking on our E Resources links from our home page <http://www.wits.ac.za/library/>

Please note that during the week our libraries are staffed by student assistants from 17:00 to close of service in addition to services offered over the weekend, during these periods we are only able to offer basic help and assistance.

Limited services are available in all libraries (with the exception of the GeoMaths and Wits Health Sciences Libraries) on Wednesday mornings from 08H00 – 09H00, to allow for staff training and administrative functions.

Access to our Historical Papers digital collections is also available 24 hours daily, this is not restricted to the university community only <http://www.historicalpapers.wits.ac.za/>
