

## Postgraduate students and fellows 2015-2022

### 2015 CoE-HUMAN Master's Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Bianca Kruger	Wits	Teenage pregnancy: The experiences of teenage mothers and their fathers.	Black	Female	South African	C
Caylee Cook	UCT	School readiness and executive function in preschool children: Assessing their feasibility as outcome measures for physical activity and gross motor skill interventions	White	Female	South African	N
Che Kelly	Wits	The subjective experience of young fathers in dual-income families.	Black	Female	South African	C
Derick Zondi	UKZN	Stokvels and commercial banks	Black	Male	South African	C
Ketani Nolubabalo	UFH	Financial decision making of fathers with social grants in Nkonkobe Municipality, Eastern Cape	Black	Female	South African	C
Khansile Bujela	Wits	Research: "Black middle class men's responses and reactions to unplanned pregnancy."	Black	Female	South African	N
Matamela Makongoza	Wits	Experiential accounts of Intimate partner violence (IPV) from young people from Soweto, Johannesburg South Africa.	Black	Female	South African	N
Menzi Bengu	UKZN	Gender and the precariousness of producing and selling indigenous vegetables: A case study of female farmers in Mtubatuba, South	Black	Female	South African	N

		Africa				
Tsepho Moloi	UFS	The Social discounting Task in Economics: A Validation for the field and the lab.	Black	Male	South African	C
Welmari Bouwer	Wits	Adolescent white males' understanding of fatherhood in the context of growing up without a father	White	Female	South African	N
Zethembe Mseleleku	UKZN	Aspirations for higher education: Evidence from youth living in Kenneth Gardens municipal housing estate (Durban)	Black	Male	South African	C

### 2016 CoE-HUMAN Master's Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Menzi Bengu	UKZN	Gender and the precariousness of producing and selling indigenous vegetables: A case study of female farmers in Mtubatuba, South Africa	Black	Male	South African	C
Julia Ruth-Kirsten Bingham	Stellenbosch	Experiences of caregivers of children with disabilities in the Western Cape: A priority for human development	White	Female	South African	N
Leletu Busakwe	UWC	Body and Disease: A phenomenological investigation of tuberculosis amongst South African Youth.	Black	Female	South African	N
Kgahliso Antoineth Dibakoane	Wits	Cultural perspective of mental retardation in Mpumalanga Province: Bushbuckridge region	Black	Female	South African	N
Che Noel Kelly	Wits	Is being a father at a young age a threat or a promise?	Black	Female	South African	C
Noluthando Ketani	UFH	Financial decision making of fathers with social grants in Nkonkobe Municipality, Eastern Cape	Black	Female	South African	C

Bianca Kruger	Wits	The link between paternal involvement and the experience of teenage pregnancy on young South African women	Black	Female	South African	C
Matamela Makongoza	Wits	Experiential accounts of intimate partner violence among young people in Soweto	Black	Female	South African	C
Hlologelo Malatji	Wits	Exploring the challenges experienced by teenage mothers in accessing high school education in Tembisa High School	Black	Male	South African	N
Kwanele Masuku	Wits	A critical look into the child perpetrators	Black	Female	South African	N
Tshepo Moloi	UFS	The social discounting task in economic experiments	Black	Male	South African	C
Andile Joyce Mthombeni	Wits	Relationship between absent fathers and teenage pregnancy amongst young women	Black	Female	South African	N
Ntombizodwa Muso	Wits	Public commentary on online videos of police brutality: Implications for the psychology of violence	Black	Female	South African	N
Lesego Ndlovu	Wits	What are the perceptions of Abortion and other Sexual and Reproductive Health Rights that are available for women, in the rural areas of Kwa- Zulu Natal, South Africa?	Black	Male	South African	N
Motlatso Rampedi	Wits	The effect of Region of residence on fertility in Nigeria	Black	Female	South African	N
Stephanie Elaine Redinger	Wits	The association of maternal stress and depression during pregnancy and birth outcomes.	White	Female	South African	N
Matshidiso Sello	Wits	Is high school completion and changes in youth socioeconomic conditions in South Africa	Black	Female	South African	N
Nkatane Tladi	Wits	The perceptions and experiences of employees on paternity leave amongst working males in Gauteng.	Black	Female	South African	N
Lindokuhle Mdeyi Ubisi	Wits	Successful entry, adjustment and further development in the workplace: Growth	Black	Female	South African	N

		factors for persons living with impairments				
Elaine van der Westhuizen	NWU	Advocacy towards responsible evaluation	White	Female	South African	N
Esmeralda Vilanculos	Wits	Married and single women's prenatal and childbirth treatment experiences with health care providers in Embalenhle, Secunda Health care institutions, South Africa.	Black	Female	South African	N

### 2017 CoE-HUMAN Master's Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Leletu Busakwe	UWC	Body and Disease: A phenomenological investigation of tuberculosis amongst South African Youth.	Black	Female	South African	C
Happiness Gadisi	UNISA	Various barrier to disclosure for women who have experienced rape	Black	Female	South African	N
Hlologelo Malatji	Wits	Exploring the challenges experienced by teenage mothers in accessing high school education in Tembisa High School	Black	Male	South African	C
Kwanele Masuku	Wits	A critical look into the child perpetrators	Black	Female	South African	C
Carlisa Mosenene	Rhodes	Occupational stress among social workers in a selected non-governmental organization in South Africa	Black	Female	South African	N
Joyce Andile Mthombeni	Wits	Relationship between absent fathers and teenage pregnancy amongst young women	Black	Female	South African	C
Ntombizodwa Muso	Wits	Public commentary on online videos of police brutality: Implications for the psychology of violence	Black	Female	South African	C
Zanele Ntloko	UFH	The impact of domestic violence on the sexual behaviour of adolescent males in Nkokobo Municipality, Eastern Cape	Black	Female	South African	N

Rampedi Motlatso	Wits	The effect of Region of residence on fertility in Nigeria	Black	Female	South African	C
Elaine Redinger Stephanie	Wits	The association of maternal stress and depression during pregnancy and birth outcomes.	White	Female	South African	C
Craig Robinson	Rhodes	An Emancipatory Approach for Innovative Access to Education in Farm Schools of the Eastern Cape, South Africa	White	Male	South African	N
Matshidiso Sello	Wits	Is high school completion and changes in youth socioeconomic conditions in South Africa	Black	Female	South African	N
Nkatane Tladi	Wits	The perceptions and experiences of employees on paternity leave amongst working males in Gauteng.	Black	Female	South African	C
Esmeralda Vilanculos	Wits	Married and single women's prenatal and childbirth treatment experiences with health care providers in Embalenhle, Secunda Health care institutions, South Africa.	Black	Female	South African	C
Sinazo Onela Williams	Rhodes	Zulu and/or Xhosa men's view of depression: A Social Constructionism study	Black	Female	South African	N

### 2018 CoE-HUMAN Master's Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Happiness Gadisi	UNISA	Various barrier to disclosure for women who have experienced rape	Black	Female	South African	C
Reginald Kanyane	Wits	"I got dumped": Young men's personal accounts of experiencing and dealing with the loss of a romantic relationship.	Black	Male	South African	N

Sakhumzi Nkululeko Mbilini	Stellenbosch	An analysis of the relationship between smart technology and the labour market in South Africa.	Black	Male	South African	N
Kelebogile Mojanaga	Wits	“The Good Enough Mother”: Winnicott to Neuroscience to Johannesburg Inner City Mothers	Black	Female	South African	N
Carlista Mosenene	Wits	Occupational stress among social workers in a selected non-governmental organization in South Africa	Black	Female	South African	C
Pandelani Muthuphei	Wits	Exploring socio-cultural influences on Black women’s perceptions, emotions and attitudes towards their appearance and sense of self.	Black	Female	South Africa	N
Sinazo Onela Williams	UP	Zulu and/or Xhosa men’s view of depression: A Social Constructionism study	Black	Female	South African	C

### 2019 CoE-HUMAN Master’s Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Azola Mmangaliso	UFH	Psychosocial experiences of caregivers of mentally challenged children in the rural town of Alice, Eastern Cape	Black	Male	South African	N
Agrinette Nontozamo Tsetse	Wits	Using narrative research to address lack of psychosocial support and counselling services for pregnant women who have been diagnosed with HIV from disadvantage communities	Black	Female	South African	N

Ingrid Puseletso Mokhitlinyane	Wits	Parental Influences on Moral Development and Identity Formation of Adolescents, How to Curb Violence in Schools	Black	Female	South African	N
Portia Manqebo Tsotetsi	UJ	Experiences and Coping Strategies of Black Single Fathers in Orange Farm, Gauteng.	Black	Female	South African	N
Paballo Mataboge	Wits	Assessing the levels and factors associated with family formation among HIV positive youth in South Africa.	Black	Female	South African	N
Mariska Barnard	NMU	Investigating reasons for difficulty in adhering to behaviour modifications and how to effectively change perspective about dietary intake in the Karoo Angels community	White	Female	South Africa	N
Bongiwe Angel Khoza	TUT	The role of innovation on small, medium and micro enterprises in south africa	Black	Female	South African	N
Mweji Marleine Gikuni	TUT	Entrepreneurial Immigrant trading in South African development	Black	Female	South African	N
Pfarelo Brandy Matsila	UP	Intergenerational constructions of Black feminine identity: Mother-daughter narratives	Black	Female	South African	N
Fortunate Lukheleni	Wits	Process evaluation of the Amagugu Intervention	Black	Female	South African	N
Salmon Likoko	Wits	Health outcomes of orphan children in grandfamilies: An analysis of the prevalence and determinants of disease in South Africa, 2016	Black	Male	South African	N
Thuto Christine Bodibe	SMU	A growing health concern: Non - Communicable Diseases: Knowledge, attitudes and practices towards the prevention of cervical cancer in women	Black	Female	South African	N

		living in Soweto.				
Monica Muti	Wits	The association of chronic physiological stress, childhood growth and development, and adult cardiovascular risk: A Transgenerational analysis of the Birth To Twenty Plus Cohort (Bt20+)	Black	Female	Zimbabwean	N
Lutricia Moagi	Wits	Barriers, facilitators, and knowledge around exclusive breastfeeding amongst Soweto women of different socio-economic status and nutritional status of their infants at 6 months	Black	Female	South African	N
Matsepho Puleng Faith Molotsi	TUT	How the traditional and historical architecture way of building public schools affects and impacts the development and upbringing of the black girl child.	Black	Female	South African	N
Emmanuel Maemu	UV	The role of community participation in the delivery of basic services	Black	Male	South African	N
Tshedza Sikhwari	UV	An investigation of bilateral relations between South Africa and China: Trade and Industry agreement	Black	Female	South African	N
Khutso Maela	UV	Public participation as a strategy to promote good governance in local government: the case of blouberg local municipality	Black	Female	South African	N
Thivhionali Hilton Shibambu	UV	Assessment of the spatio-temporal impacts of land use activities on water quality of the Luvuvhu river catchment, Limpopo river basin, South Africa	Black	Male	South African	N
Ntombikayise Nontokozo Mkhonto	UV	An exploration on the expression of women's emotions through emaswati songs	Black	Female	South African	N
Reginald Kanyane	Wits	"I got dumped": Young men's personal accounts of experiencing and dealing with the loss of a romantic relationship.	Black	Male	South African	C
Sakhumzi Nkululeko Mbilini	US	An analysis of the relationship between smart technology and the labour market in	Black	Male	South African	C

		South Africa				
Kelebogile Mojanaga	Wits	“The Good Enough Mother”: Winnicott to Neuroscience to Johannesburg Inner City Mothers	Black	Female	South African	C
Pandelani Muthuphei	Wits	Exploring socio-cultural influences on Black women’s perceptions, emotions and attitudes towards their appearance and sense of self.	Black	Female	South African	C

### 2020 CoE-HUMAN Master’s Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Elizabeth Masiakwala	Wits	The effect of early childhood growth trajectories on nutritional status and body composition at 2 years of age	Black	Female	South African	N
Irene Mauluke	Wits	Factors influencing attrition from a one-year postpartum lifestyle intervention for women experiencing diabetes in pregnancy	Black	Female	South African	N
Gontse Molelekeng-Adeniran	UJ	Tripartite relations in the age of 4IR: innovation or stagnation in responding to the wave of opportunity	Black	Female	South African	N
Nthabiseng Fortunate Rakgotho	TUT	The relationship between innovation and economic development in South Africa.	Black	Female	South African	N
Tayla Cleo Rosslee	Wits	The Relationship between Adolescents' Knowledge of Climate Change, Perceived Risk and Psychosocial Wellbeing	Black	Female	South African	N
Lebohang Zinhle Thokwane	Wits	Rural- rural migration and health outcomes of the elderly (65+) in South Africa.	Black	Female	South African	N

Tanganedzani Tshitavhe	UV	Effects of Climate Variability on Citrus Production and Rural Livelihoods in Mopani District Municipality, South Africa.	Black	Female	South African	N
Lutricia Moagi	Wits	Barriers, facilitators, and knowledge around exclusive breastfeeding amongst Soweto women of different socio-economic status and nutritional status of their infants at 6 months	Black	Female	South African	C
Khutso Maela	UV	Public participation as a strategy to promote good governance in local government: the case of blouberg local municipality	Black	Female	South African	C
Thuto Christine Bodibe	SMU	A growing health concern: Non - Communicable Diseases: Knowledge, attitudes and practices towards the prevention of cervical cancer in women living in Soweto	Black	Female	South African	C

## 2022 CoE-HUMAN Master's Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Martha Maphosa	SMU	Phenomenological experiences of people living with chronic conditions who take medication for a prolonged period of time and factors that affect adherence to treatment	Black	female	South African	N
Patience Mphephu	SMU	The Effect Of Covid-19 On Mental Health Care Users Access To Treatment At Dr George Mukhari Academic Hospital	Black	Female		N
Nosipho Gasa	UKZN	The Socio-Economic Impact Of Parastatals In Combating Unemployment In South Africa: A Case Of Youth Employment At Transnet/Eskom	Black	Female	South African	N
Siyathikhoza Mbanjwa	Wits	Maternal Experiences Of Having A Child With A Disability: A Qualitative Study	Black	Female	South African	N
Bafana Radebe	UJ	The Unspeakable Void Of Trauma In Post-Apartheid Literature: A Psychoanalytic Post-Structural Approach To The Work Of Duiker, Mda And J.M Coetzee.	Black	Male	South African	N
Samukelo Mdladla	CUT	The factors hampering teacher autonomy in the professional development among selected schools	Black	Male	South African	N
Lerato Mohale	SMU	The Mental Health Effects Of Covid 19 On Sefako Makgatho University Students	Black	Female	South African	N
Sivuyile Gqozo	CPUT	An Investigation Into Factors That Limit Women From Getting To Senior Management Positions In Construction Projects	Black	Male	South African	N
Tayla Cleo Rosslee	Wits	The Relationship between Adolescents' Knowledge of Climate Change, Perceived Risk and Psychosocial Wellbeing	Black	Female	South African	C

### 2015 CoE-HUMAN Doctoral Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Nyasha Chadoka	Wits	Context of family transition in sub-Saharan Africa	Black	Female	South African	C
Emma Chikovore	Wits	Family dynamics and adolescent sexual behaviour in South Africa.	Black	Female	Zimbabwean	C
Raymond Chiruka	UFH	Pubertal Growth Modelling : The Birth To Twenty cohort	Black	Male	Zimbabwean	C
Sarah Delius	Wits	Forced Marriage of underage girls and young women in Southern Africa	White	Female	South African	N
Jane Kelly	UCT	Narratives of gang joining and desistance amongst former gang members	White	Female	South African	C

Stanley Molefi	UP	Polyamory as a type of concurrent partnership used to enhance HIV prevention programmes in South Africa: A phenomenological approach	Black	Male	South African	N
Nkechi Obisie-Nmehielle	Wits	Social disorganization and youth risky sexual behavior (YRSB) in South Africa.	Black	Female	South African /permanent resident	C
Kemist Shumba	UKZN	Medical male circumcision and condoms for HIV prevention among school youths: Marginal voices for a relevant and coherent sexual and reproductive school health policy in Zimbabwe	Black	Male	Zimbabwean	N
Mohammed Vawda	UKZN	Identifying the relationship between socioeconomic, environmental and occupational factors and non-communicable diseases in South Africa	Black	Male	South African	C
Stephanie Wrottesley	Wits	Maternal nutrition during pregnancy and its association with birth outcomes and neonatal body composition in the context of HIV in urban African South Africans	White	Female	South African	N

### 2016 CoE-HUMAN Doctoral Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Zulfah Albertyn	UCT	The spatial distribution of injury mortality of children in the western geographic service area, City of Cape Town (2011-2015)	Black	Female	South African	N
Cara Browde	Wits	Mind on my Money, Money on my Mind: The Relationship between Social and Psychic Constructions of Economic Identity in South Africa	White	Female	South African	N

Raymond Chiruka	UFH	Pubertal growth modelling : The Birth to Twenty Cohort	Black	Male	South African	C
Caylee Cook	UCT	Executive function in South African preschool children from low-income settings	White	Female	South African	C
Hayley Daries	UCT	Intervening in the preschool years to promote physical and cognitive health	Black	Female	South African	N
Sara Delius	Wits	History repeats? Forced marriage in Sierra Leone 1880-2002	White	Female	South African	C
Ntombizonke Gumede	HSRC	Experiences of women who carry unintended pregnancies (resulting from sexual coercion) to term, within the context of the family and community	Black	Female	South African	N
Carmen Harrison	Stellenbosch	Exploring the impact of coping strategies on the psychological health of South African youth who experience poverty	Black	Female	South African	N
Gaironeesa Hendricks	UCT	A Longitudinal Account of the Psychosocial Outcomes of Fetal Alcohol Spectrum Disorders in Preschool Children in the Western Cape Province of South Africa	Black	Female	South African	N
Soraya Natalie Lester	UCT	Behind the scenes: Taking the National School Safety Framework to scale	White	Female	UK permanent resident	N
Mercy Manyema	Wits	The impact of adverse childhood experiences (ACEs) on health and well-being in young adulthood: a longitudinal analysis of data from the Birth to Twenty Plus (Bt20+) cohort	Black	Female	Zimbabwean	N
Stanley Molefi	HSRC	Polyamory as a type of concurrent partnerships used to enhance HIV prevention programmes in SA: A phenomenological approach	Black	Male	South African	C
Elvis Tichaona Munatswa	Wits	Investigating the health outcomes for reproductive health related cancer among	Black	Male	Zimbabwean	N

		black men in Gauteng				
Nyasha Muntanda NEE Chadoka	Wits	Social disorganization theory and patterns of family transition in Southern Africa	Black	Female	South African	C
Bulewa Ntunzi	UFH	Assessing schools' readiness to accommodate children with disabilities in mainstream education in the rural areas of the Eastern Cape Province.	Black	Female	South African	N
Megan Scott	Wits	Exploring how risk is conveyed within South African intercultural genetic counselling interactions	White	Female	South African	N
Kemist Shumba	UKZN	Medical male circumcision and condoms for HIV prevention for school youth	Black	Male	Zimbabwean	C
Caroline Deborah Thomson	Rhodes	A boundary object for bridging the divide between designers of technology-based health behaviour change interventions	White	Female	South African	N
Stephanie Wrottesley	Wits	Maternal nutrition during pregnancy and birth outcomes in the context of HIV in South Africa	White	Female	South African	C
Mzingaye Brilliant Xaba	Rhodes	Understanding the post-settlement experiences of land restitution beneficiaries in South Africa. The case of Macleantown restitution project in the Eastern Cape.	Black	Male	South African	N

### 2017 CoE-HUMAN Doctoral Students

Name	University/ Institution	Title of research project	Race	Gender	Nationality	New (N) or Continuing (C)
Zulfah Albertyn	UCT	The spatial distribution of injury mortality of children in the western geographic service area, City of Cape Town (2011-2015)	Black	Female	South African	C

Ragi Bashonga	HSRC	Amakwerekwere? The identity construction and integration of second-generation African immigrants in South Africa	Black	Female	Congolese	C
Cara Browde	Wits	Mind on my Money, Money on my Mind: The Relationship between Social and Psychic Constructions of Economic Identity in South Africa	White	Female	South African	C
Raymond Chiruka	UFH	Pubertal growth modelling : The Birth to Twenty Cohort	Black	Male	South African	C
Cook Caylee	UCT	Executive function in South African preschool children from low-income settings	White	Female	South African	C
Daries Hayley	UCT	Intervening in the preschool years to promote physical and cognitive health	Black	Female	South African	C
Delius Sara	Wits	History repeats? Forced marriage in Sierra Leone 1880-2002	White	Female	South African	C
Ntombizonke Gumedede	HSRC	Experiences of women who carry unintended pregnancies (resulting from sexual coercion) to term, within the context of the family and community	Black	Female	South African	C
Gaironeesa Hendricks	UCT	A Longitudinal Account of the Psychosocial Outcomes of Fetal Alcohol Spectrum Disorders in Preschool Children in the Western Cape Province of South Africa.	Black	Female	South African	C
Soraya Natalie Lester	UCT	Behind the scenes: Taking the National School Safety Framework to scale	White	Female	UK permanent resident	C
Sinethemba Makanya	Wits	Ukugula Kwabantu: The construction of mental health by traditional healers in a peri-urban setting.	Black	Female	South African	N
Mercy Manyema	Wits	The impact of adverse childhood experiences (ACEs) on health and well-being in young adulthood: a longitudinal analysis of data from the Birth to Twenty Plus (Bt20+) cohort	Black	Female	Zimbabwean	C

Stanley Molefi	HSRC	Polyamory as a type of concurrent partnerships used to enhance HIV prevention programmes in SA: A phenomenological approach	Black	Male	South African	C
