Wits VPN - Android device

Document Code	:	
Call Category	: How To	
Call Type	: Wits VPN - Android	

To Install Cisco AnyConnect VPN on an Android device, open Google Play Store on your device.

Search for "Cisco AnyConnect" in the search field. Click the "INSTALL" button.

Click on the "ACCEPT" button.

The install of the software will begin.

Start up the application by clicking on the AnyConnect icon.

Accept the AnyConnect licence by clicking on the "OK" button.

Page 4 of 10

The AnyConnect application will start. Click "Connections" to add New VPN.
