

# **MAITAZWITOMA SOCIETY**

This is a Venda cultural society but not limited to Venda people only. The aim is to show support to our own in a surrounding that we all mostly not familiar with. It could be academically, socially etc. It is a home away from home. Our mission is to make sure our people do not feel like outcasts mostly because of language barriers.

We host the following events to achieve that:

## **1. WELCOME DAY**

A day randomly chosen during the 1<sup>st</sup> quarter for introduction of the executive team to its members and for members to know more about the society.

## **2. MENTORSHIP PROGRAMME**

We give everyone a chance to sign up to either be a mentee or a mentor. We also have an outreach programme where we give back to the community by mentoring and offering what we can.

## **3. GAMES NIGHT**

An event hosted once in every semester to steam off with everyone invited while engaging in traditional and modern games over light snacks.

## **4. PICNIC DATE**

A once in a year event hosted out of university premises with food and refreshments included.

## **5. MUVENDA DAY**

A day to celebrate our origin and everything that defines us as Vhavenda and closing of the year by welcoming in the new executive team and appreciating the outgoing team.

## **6. SPORTS TEAM**

We have a soccer team for boys which everyone is welcome to join and it will also be good to build a team for a sport in which girls can participate in.
