

WITS METHODIST STUDENT SOCIETY

Wits Methodist Student Society (Wits Methssoc) is a Christian student organization which ascribes to the Methodism doctrines according to the Methodist Church of South Africa. It also affiliates as an entity within the Methodist Children and Youth Unit. The Wits Methssoc was established in 2004 and we celebrated 15 years of existence in 2019. It has since become a home away from away for members. Wits Methssoc is best known for its unique and vibrant style which is intended on accommodating every individual regardless of their race, ethnicity and religious group. We promote spiritual growth and fellowship through community outreach, multilingual praise and worship sessions, weekly cell group meetings, weekly Sunday services, weekly Friday bible study sessions and weekly Saturday study sessions.

We have a subscription fee of R150. This fee is used for the daily administration of the society and it is also used for our closing function that is held yearly at the end of the year.

We can be contacted through our social media platforms.
