

FIRST YEAR EXPERIENCE

The FYE Programme is a year-long Programme designed to help first year students in their transition from high school to university.

JUMP START YOUR YEAR WITH FYE!

FYE is here to support your first-year student & academic journey, through facilitative experiential learning opportunities that include:

- Creating a sense of resourcefulness
- Building a sense of community
- Engaging in co-curricular development activities

You can look forward to the FYE Programme including the following engagement themes:

Mentorship | Adjusting and Thriving at University | Mindful Practices | Embracing Multiculturalism | Campus Conversations | Entrepreneurial Mind-set | Digital Culture
