

FACULTY OF COMMERCE, LAW AND MANAGEMENT

DEAN: PROFESSOR J COHEN BCom Hons PhD (Witwatersrand)

Master of Business Administration

ADIAM, Kibala *Master of Business Administration*
PROJECT REPORT: The role of organisational culture in talent management at selected Johannesburg engineering firms

BAIDOO, Thomas Kojo Ansah *Master of Business Administration*
PROJECT REPORT: A comparative analysis of the GSE Composite Index (GSE-CI) and the JSE Top 40 Index performance during COVID 19

BANTSI, Thabang *Master of Business Administration*
PROJECT REPORT: Understanding consumer loyalty and the brand value of companies in the telecommunications industry of South Africa

BATYI, Siziwe Cynthia *Master of Business Administration*
PROJECT REPORT: A comparative study of operational performance of container seaports in South Africa

BHENGU, Precious Ntokozo *Master of Business Administration*
PROJECT REPORT: Upscaling a small natural, black hair care venture specialising in unlocking dreadlocks into a national business

BLADES, Sabrina Ann *Master of Business Administration*
PROJECT REPORT: The influence of executive coaching on female leadership in East Africa

BOIKHUTSO, Boitumelo Phathutshedzo *Master of Business Administration*
PROJECT REPORT: Exploring mergers and acquisition strategic decision-making within the information technology sector in South Africa

BONANI, Xolani Geoffrey *Master of Business Administration*
PROJECT REPORT: Sustainable optimisation of operations strategies for high purity manganese sulphate production in EV battery manufacturing

BUMHIRA, Samantha *Master of Business Administration*
PROJECT REPORT: Work-life balance - perception of women in the finance sector in Johannesburg

CHETTY, Kareshma *Master of Business Administration*
PROJECT REPORT: An assessment of knowledge of financial management tools beneficial for dental private practise in South Africa

CHILOANE, Tebogo Clement *Master of Business Administration*
PROJECT REPORT: The influence of knowledge management on project success in the construction industry in South Africa

COLLIER, Michael James *Master of Business Administration*
PROJECT REPORT: Bridging the innovation gap for South African businesses: Exploring the influence of leadership styles on innovation management

- DE CLERCQ**, Petrus Gerhardus *Master of Business Administration*
PROJECT REPORT: Operational performance, workforce dynamics, and strategic implications for pressure piping fabrication in the South African construction industry
- DIKGALE**, Mmamogo Sharlotte *Master of Business Administration*
PROJECT REPORT: Technological anxiety and its impact on employee performance
- DLADLA**, Bongani Mathews *Master of Business Administration*
PROJECT REPORT: Management structures for sustainable operations: Navigating petrochemical transitions to a low carbon and green economy
- DLAMINI**, Zamazizi Princess *Master of Business Administration*
PROJECT REPORT: Strategic analysis of nuclear energy for industrial resilience in South Africa
- DUTYWA**, Viwe Unathi *Master of Business Administration*
PROJECT REPORT: Sustainable management of tourism in small coastal towns
- DZIMBAE**, Mmboneni *Master of Business Administration*
PROJECT REPORT: The impact of innovation in the coal mining industry in South Africa
- GCWENSA**, Simiso Trevor Ndumiso *Master of Business Administration*
PROJECT REPORT: Commercialising Vehicle Asset Financing (VAF) for iconic second-hand cars older than ten years in South Africa
- GOVENDER**, Devendran *Master of Business Administration*
PROJECT REPORT: Impact of Covid-19 on consumer choices in the pre-owned car segment in Gauteng
- GOVENDER**, Megandren *Master of Business Administration*
PROJECT REPORT: Perceptions of energy leaders in private industrial sector energy project development models
- GOVENDER**, Vishnu Govindasamy *Master of Business Administration*
PROJECT REPORT: The impact of hybrid working in MEA's oil and gas sector: An analysis of effectiveness and work-life balance
- HANS**, Colin Petrus *Master of Business Administration*
PROJECT REPORT: Exploring the influence of organisational structure on employee performance in the mining industry, South Africa
- HEATON**, Sarah Chantelle *Master of Business Administration*
PROJECT REPORT: Leveraging big data analytics for targeted and predictive marketing in the South African retail sector
- HLUNGWANI**, Ripfalo Peace *Master of Business Administration*
PROJECT REPORT: 3D holographic fan advertising and its influence on consumer attitudes and purchase intentions
- JIYANE**, Lucky Ntuthuko *Master of Business Administration*
PROJECT REPORT: The use and commercialisation of inter-satellite links in South Africa for telecommunication: regulatory framework and emerging trends
- KHAN**, Shaazia *Master of Business Administration*
PROJECT REPORT: ElevateHer Strategic Solutions: emotional intelligence as a female strategy for organisational success
- KHOZA**, Khulekani *Master of Business Administration*
PROJECT REPORT: Optimising strategic financing strategies for skills development in South Africa
- KHOZA**, Ntuthuko *Master of Business Administration*

PROJECT REPORT: The adequacy of entrepreneurship education in Gauteng TVET colleges in preparing students for entrepreneurship

KHULUSE, Simphiwe Sikhumbuzo Sydney *Master of Business Administration*
PROJECT REPORT: Sugarcane as feedstock for Biofuel, a business case of Natal Midlands, South Africa

KHUMALO, Thanduxolo Lionel Lumumba *Master of Business Administration*
PROJECT REPORT: Organisational design and the challenges of agility at a pharmaceutical organisation in Johannesburg

KOOPEDI, Neo Malcolm *Master of Business Administration*
PROJECT REPORT: Evaluating the purchasing intentions of retailers towards cement blenders in Gauteng

KWINDA, Mishumo *Master of Business Administration*
PROJECT REPORT: Expanding the lens on the determinants of FDI in South Africa: The impact of business confidence

LABUSCHAGNE, Juan *Master of Business Administration*
PROJECT REPORT: Market entry and competitive advantage for new solar ventures in South Africa

LEBALLO, Tshepiso Nkamoheleng *Master of Business Administration*
PROJECT REPORT: The impact of generic drug entry in the South African market

LEFIFI, Kamogelo Gilroy *Master of Business Administration*
PROJECT REPORT: The localisation of lithium-ion battery cells production in the Southern African Development Community

LEKOTA, Kotane Lehlasedi *Master of Business Administration*
PROJECT REPORT: Leveraging data analytics in the assessment of the life insurance needs of retail banking customers in South Africa

LETSELI, Mohale Lawrence *Master of Business Administration*
PROJECT REPORT: Managing cultural diversity for high teams' performance in the PGM mining industry around the Brits area

LINDA, Gabisile Priscilla *Master of Business Administration*
PROJECT REPORT: The impact of the investments in the transport infrastructure on the Gauteng economy

LUPUZI, Mbutokazi *Master of Business Administration*
PROJECT REPORT: Gender diversity in the South African mining industry

MABASO, Bongani Percy *Master of Business Administration*
PROJECT REPORT: The role of transformational leadership in the elevator industry in Gauteng

MABASO, Nozipho *Master of Business Administration*
PROJECT REPORT: Perceived barriers and enablers impacting women in leadership within the Information, Communication and Technology (ICT) sector in South Africa

MABE, Boipelo *Master of Business Administration*
PROJECT REPORT: The influence of mobile applications on loyalty programme engagement among low-income consumers in South Africa

MABITLE, Tlotliso Donald *Master of Business Administration*
PROJECT REPORT: The impact of e-payments on the economic growth of Lesotho

MACHETHE, Lebogang Given *Master of Business Administration*
PROJECT REPORT: Exploring the perceptions of decision makers on adopting marginal analysis for decision-making in the chemical manufacturing industry in South Africa

- MADUBANE**, Kabelo Meshack *Master of Business Administration*
PROJECT REPORT: Determining the consequence of socio-economic sustainable development initiatives on gold mining organisations in Africa
- MAFA**, Lebohang Augustine *Master of Business Administration*
PROJECT REPORT: The potential of 2.5GM gas to power generation technology for the mining industry and other users
- MAILA**, Lebogang *Master of Business Administration*
PROJECT REPORT: Assessing organisational culture at the services department at a higher education institution in Gauteng
- MAILA**, Lehlogonolo *Master of Business Administration*
PROJECT REPORT: Experiences of workers with flexible work arrangements and their impact on employee engagement: A case study of a South African telecommunications company
- MAISHA**, Phathutshedzo Shane *Master of Business Administration*
PROJECT REPORT: Determinants of the adoption of Artificial Intelligence (AI) for maintenance activities in the mining industry in South Africa
- MAKOLA**, Sammy Sekofola *Master of Business Administration*
PROJECT REPORT: Role of remuneration and career development on employee turnover in mines surrounding the Eastern Bushveld Igneous Complex
- MALAHLELA**, Ofentse *Master of Business Administration*
PROJECT REPORT: Demand side factors that led to low uptake of the Covid-19 Loan Guarantee Scheme in South Africa
- MALAKOANE**, Lerato Julia *Master of Business Administration*
PROJECT REPORT: The challenge of leadership development at a Health Research Organisation in Johannesburg, South Africa
- MALEKA**, Eddie Johnny *Master of Business Administration*
PROJECT REPORT: Social Entrepreneurship model for crime prevention: Stakeholders collaboration in South African townships
