

Tshekatsheko ya Maemo a Botshelo VI ([Quality of Life Survey VI] 2020/21)

Moagi yo o rategang wa Gauteng,

Dingwaga dingwe le dingwe tse pedi, Gauteng City-Region Observatory – e tshwaragane le Wits le University of Johannesburg – e dira tshekatsheko ya ‘Maemo a Botshelo.’ Re botsa dipotso ka ga tse di farologaneng tse di re amang rotlhe, go tloga ka sepalangwa go ya thutong go ya go mekgwa ya batho mo kgotlelong ya tikologo – re leka go akaretsa tsotlhe ka fa go kgonegang. Ngwaga ono, re dira tshekatsheko ya rona ya borataro, mme re tla botsolotsa bagolo ba feta 13 000 go ralala Gauteng City-Region. GeoSpace International e dira dipotsolotso mo boemong jwa GCRO. Dipotsolotso tsone di dirwa go ya ka melao ee beilweng ya COVID-19.

O tlhophilwe go netefatsa gore tshekatsheko e neelana ka setshwantsho se se nepagetseng sa botshelo mo Gauteng mme re go laletsa go araba tshekatsheko e e tla tsayang bobotlana metsotso e le 45, le fa go ka direga e tseye ura. Re tla go botsa tshedimosetso e e go supang, jaaka leinale aterese ya gago, tse di tla dirisetswang fela go netefatsa bonontlhotlo jwa dipotsolotso. Gape re tla rekota GPS coordinates tsa lefelo la potsolotso. Tshedimosetso yotlhe e re e boleletsweng e tla bolokwa ka botlalo e le khupamarama. Morago ga go wetsa dipotsolotso tsotlhe, dikarabo di tla tlhomaganngwa ka botlalo ka tsela e e senang leina. O ka se bone molemo ope ka tlhamalalo ka go tsaya karolo mo patlisisong eno, mme ga go na mathata kgotsa dikotlhao fa o sa tseye karolo. O ka tlhopho go se arabe potso nngwe le nngwe e bile o ka ikogela morago mo patlisisong nako epe fela. Re tla botsa dipotso dingwe tsa botho le tse di ka nnang bosisi, mme fa ka tsela nngwe o hutsafala kgotsa o utlwa botlhoko, re tla kgaotsa kgotsa ra emisa potsolotso, kgotsa re tlole dipotso tseno. Gape re go tlamela ka lenaane la mekgatho e e neelanang ka kgakololo le ditirelo tse dingwe.

Dipholo tse di senang maina di tla nna teng go bathobotlhe mme di tla abelwa puso go e thusa go rulaganya botoka le go laola Gauteng City-Region. Tshekatsheko eno e duelelwa ke puso ya porofense le ya selegae, mme GCRO ke setheo se se ikemetseng sa patlisiso sa yunibesithi, mme re bua se se tlhokang go buiwa, go ya ka tshedimosetso e e tswang mo tshekatshekong. Ditshekatsheko tsa rona tsa nako e e fetileng di nnile le seabe se segolo go thusa go tlhologanya mathata a kgaolo ya toropo ya rona mme re dirisitse tshedimosetso go dira dipego tsa patlisiso, ditlhaloso tsa tshedimosetso le dimmapa. Mo lekwalong leno go kgomareditswe dikai dingwe mme o ka ya go website ya rona go www.gcro.ac.za mme o lebe dipholo tsa tshekatsheko ya Maemo a Botshelo tsa nako e e fetileng (www.gcro.ac.za/qolviewer). Go tsaya karolo ga gago go botlhokwa thata.

Fa o na le dipotso ka dipatlisiso, tsweetswee gololesega go lele-tsa kantoro ya GeoSpace (081 073 2446; 071 041 0033), go ikgolaganya le nna go (011) 717 7280 kgotsa julia.dekadt@gcro.ac.za. Fa o na le matshwenyego mangwe kgotsa dingongorego ka ga maitsholo a mekgwa-tsamaiso ya patlisiso eno, o gololesegile go ikgolaganya le University Human Research Ethics Committee (E seng ya Kalafi), mogala+27(0) 11 717 1408, imeile Shaun.Schoeman@wits.ac.za.

Ba gago ka boikanyegi,

Ngaka Julia de Kadt

Yo o Eteletseng Pele Porojeki ya Maemo a Botshelo, Gauteng City-Region Observatory
