

## CONFIRMATION OF SUPERVISION FORM

Please note that some postgraduate programmes require applicants to secure a supervisor before submitting an application. Kindly refer to the relevant course finder entry for the specific programme you are interested in. There, you will find information on potential supervisors and the appropriate contact details for further assistance.

Kindly forward this form along with your CV to the potential supervisor. If they agree to supervise your studies, they will need to complete and return the form to you. Once received, please upload the completed form via the self-service portal under the 'Confirmation of Supervisor' section.
